

Vertical Wood Powder Machine

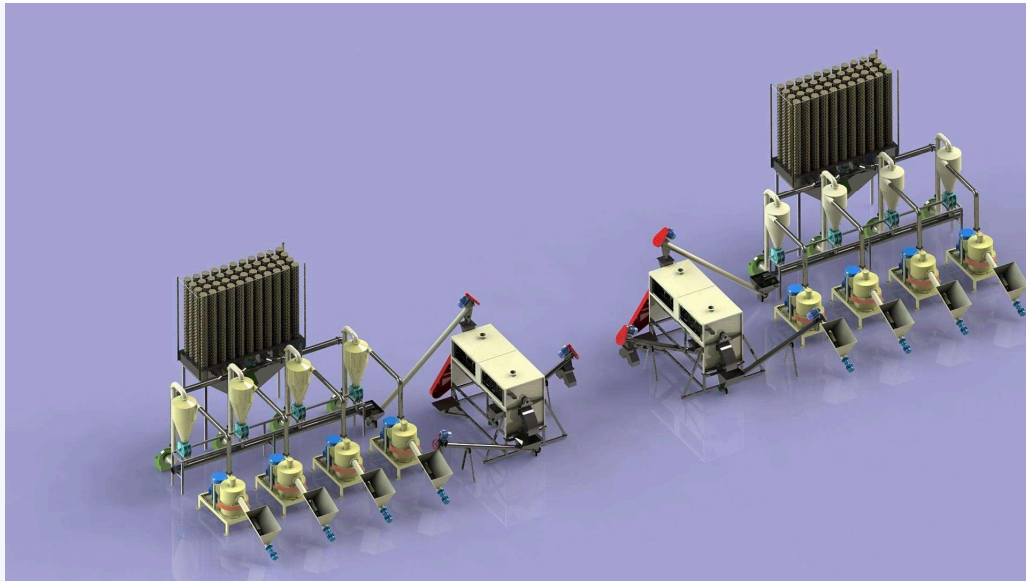

Solutions for the production of incense and wood-plastic composites (WPC)

50-300 kg/h

Wear-resistant

CE Certified

Vertical Wood Powder Machine · International Quality

Intelligent Wood Crushing Solution

Manto Machinery **Vertical Wood Powder Machine Series** is specifically designed for incense making industry and other wood grinding industries. It can grind wood chips, rice husks, fruit shells and other lignocellulosic raw materials into 60-325 mesh powder. This equipment is CE-certified and is widely used in incense making, wood grinding and related projects around the world.

Key Advantages: Capable of grinding raw materials into 60-325 mesh powder, simple operation, to meet the production needs of continuous incense making and other wood grinding industries.

High Output & Energy Saving

50-300 kg/h capacity

Sturdy & Durable

Low maintenance cost

Wear-Resistant Blades

Life extended by 40%

Easy Maintenance

Quick opening

Key Applications

Incense making base material

Wood-plastic composite filler

Paper & board filler

Global Export Business

Professional Custom

Design Full Plant Solution

Reliable After-sales Service

🌲 Applicable Raw Materials

🌲 Wood chips

🌱 Bamboo chips

🥥 Fruit shells

🌾 Rice husks

🍪 Shells

☒ Charcoal slag

Maximum feed size ≤ 8mm.

📦 Output & Applications

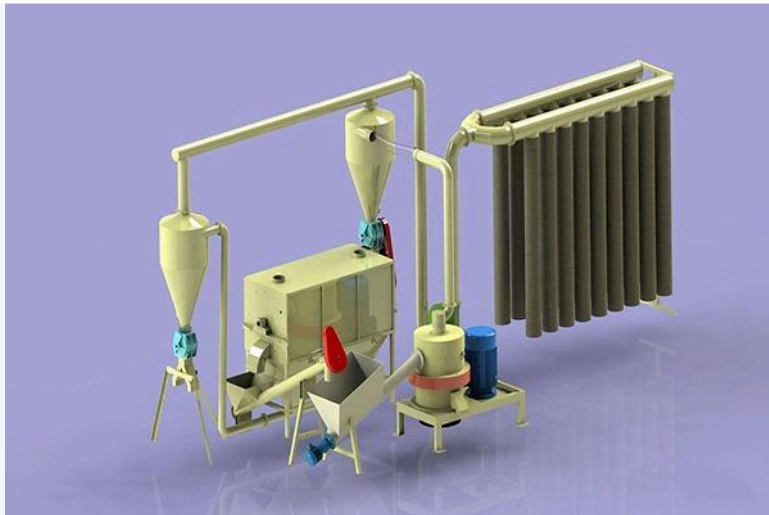

◆ Incense making base material

◆ Wood-plastic composite filler

◆ Paper & board filler

Fine wood powder (60-325 mesh) suitable for incense production, WPC manufacturing, and various industrial applications.

Vertical Wood Powder Machine · Efficient & Stable Operation

Technical Specifications

Model	6R-600
Number of Blades (pcs)	6
Main Motor Power (kW)	37
Sifter Motor Power (kW)	3
Maximum Feed Diameter (mm)	5
Rotating Speed (r/min)	380
Finished Product Fineness (Mesh)	60-325
Production Capacity (kg/h)	50-300
Equipment Dimensions (m)	5*2.5*4

Vertical Wood Powder Machine Highlights

60-325 mesh powder output

Low maintenance cost

Energy saving design

CE Certification

48h After-sales Response

Free Line Design

7×24h Tech Support

Sustainable Solutions

Reliable Partner for Wood Recycling & Biomass Energy
